Farewell from Artistic Director, Carla Beebe

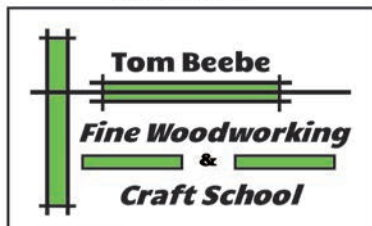

From blueprint to action, outgoing TOAST Founder Carla Beebe, says “it has been an honor and pleasure developing the TOAST brand and working with local artists to raise awareness of the tremendous creative energy in Truckee. The TOAST program has helped plant the seed that Truckee is an appealing destination for art collectors, and also a great destination for workshops, gallery talks, art lectures and special presentations.” Retiring from volunteer service, you will find Carla woodworking alongside her husband, Tom, enjoying her outrigger canoe on Donner Lake, hiking with their three terriers, gardening, and biking.
