

Sierra Valley BARN QUILT TRAIL

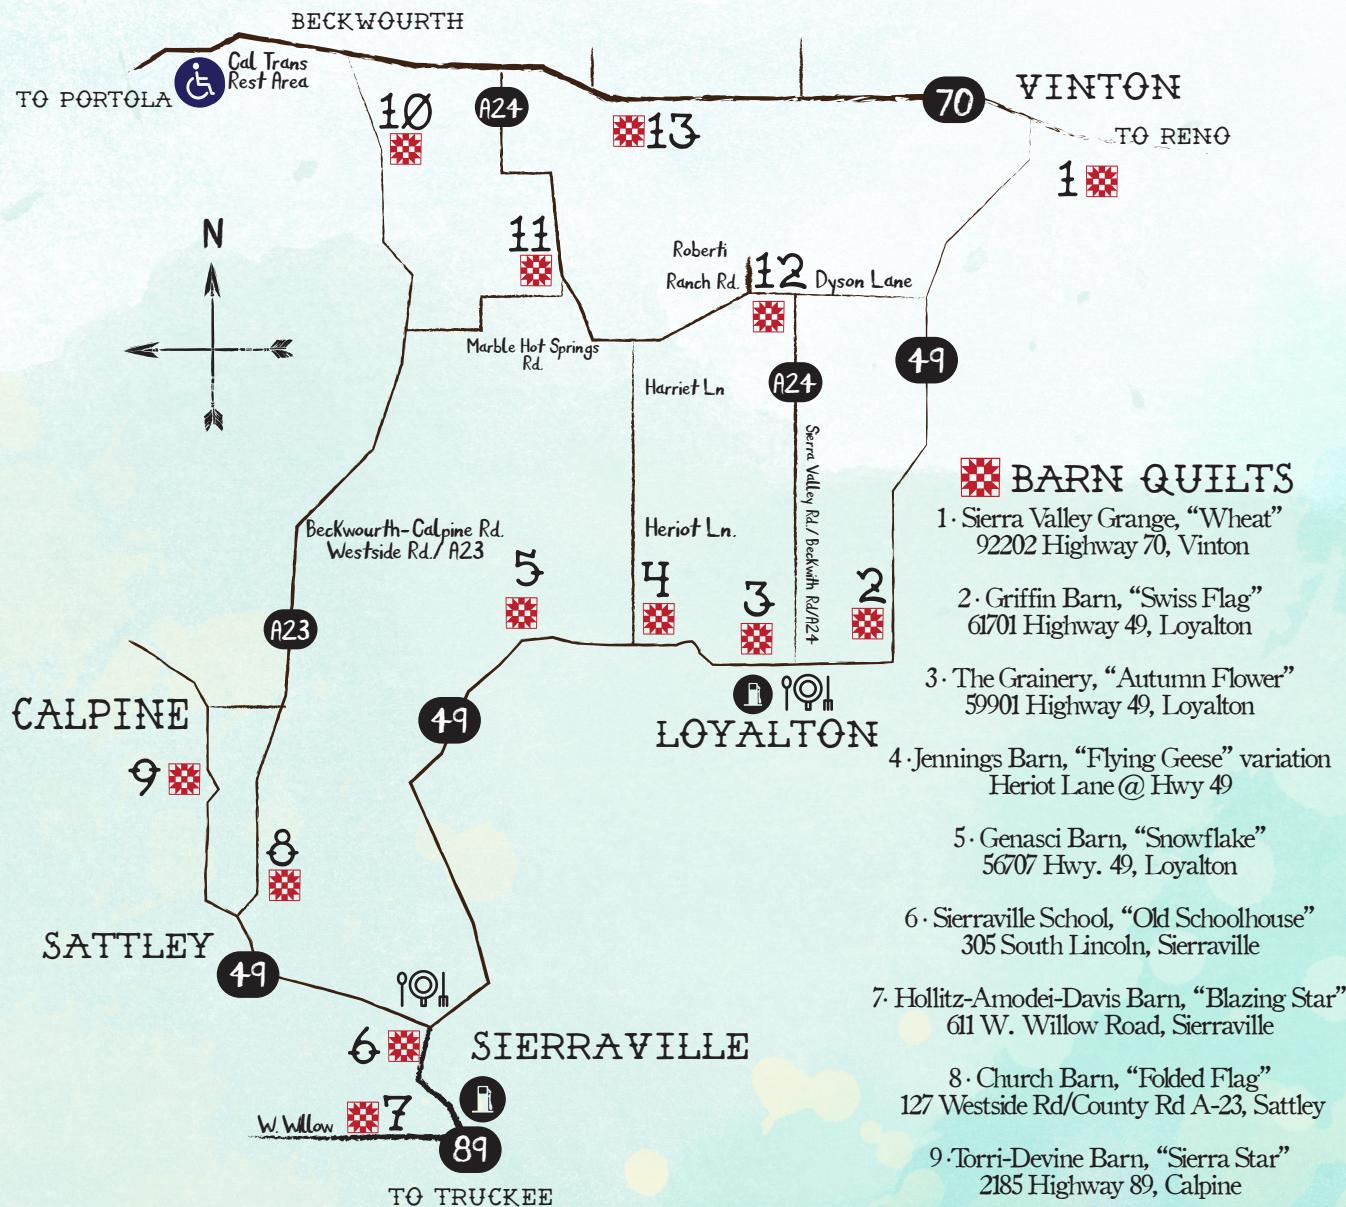

Barn quilts honor the economic, cultural, and historical contribution of ranching and farming to our rural communities, while celebrating one of America's historic art forms, the quilt block.

With the support of a grant from the California Arts Council, local artists, quilters and ranchers have come together under the guidance of the Sierra County Arts Council to create the Sierra Valley Barn Quilt Trail.

The Barn Quilt patterns speak to the Valley's Swiss-Italian heritage, wildlife and agricultural foundation. They add a story and a splash of color to grand old structures around the Valley. Each fall, Sierra Valley honors our rural heritage with the Sierra Valley Art + Ag Trail. For more information visit:
